General

1. Decisions of the Chief Judge shall be final.
2. Judges may not judge any category in which they are entered. The Chief Judge is not permitted to enter any category.
3. A modeler may submit multiple entries in a category, and may enter as many categories as desired, but each entrant is only eligible for a maximum of one award per category.
3. Models which do not seem to fit in any of the defined categories, or which fit more than one category, will be assigned to a suitable category by the Chief Judge.
4. The Chief Judge may combine categories if there are insufficient entries in one or more categories. Similarly, the Chief Judge may split an overly large category into two or more, based on such logical criteria as scale, era or subtype.
